L'ECHELLE EUROPEENNE

Bilingual Manager/Franchise Partner of UK Franchise

For the opening of the first UK branch

L'Echelle Européenne, whose name translates as "Echelle UK", is an international group with 60 stores across Europe (Belgium, France, Portugal and Spain), which specialises in building and safety equipment relating to personnel operating at height, such as ladders and scaffolding.

We are seeking a candidate to manage and assist with the opening of our first UK store. The store will be based in Birmingham, or a similarly sized UK city.

After detailed training, the candidate will develop a broad client base of industry professionals and business communities, and offer them more than 3,000 items including ladders, scaffolding, stairs, safety equipment, specialist equipment and cradles, and other items relating to safe working at height.

The ideal candidate will come from a management or business background, possess good experience of business-to-business selling, and preferably be familiar with the construction sector. We are looking for an enthusiastic and dynamic individual, who is English/French bilingual.

With the backing of the franchisor, the candidate will act as manager, and will benefit from becoming a stakeholder in this first UK store. The candidate will liaise with head office.
